FOR IMMEDIATE RELEASE

The Lackner Group Exhibiting at the Pennsylvania Bar Association Annual Meeting
Pittsburgh-based company showcasing 6-in-1 Estate & Trust Administration Software

Pittsburgh, PA – (May 4, 2022) – The Lackner Group is proud to be part of the PBA Annual Meeting taking place in Hershey, PA from May 11-13. We will be an exhibitor showcasing our 6-in-1 Estate & Trust Administration Software.

6-in-1 is one-entry system that saves you time & saves you money. Our customers come to us to help them eliminate the repetitive data entry they encountered when filling out the necessary returns for an estate or trust. Enter in your Assets, Debts, Distributions, Income and Expenses ONE TIME and code them by using our list of code categories that cover every type of transaction. The results are automatically pushed out to the correct documents and returns.

We offer the following in PA: PA-1500, Inventory, Accounting, PA-41, US 706, US 1041 and/or US 709. These modules can be purchased separately. 6-in-1 also includes the Register of Wills and Orphans' Court forms. We also offer forms in other states. Ask us about them!

In addition to the exceptional support you will receive, you can enter unlimited estates or trusts for the same price, and we offer a 60-day money-back guarantee.

Under the company name of Leimberg, LeClair & Lackner, we promote and support NumberCruncher, a product with 100+ estate planning and financial planning calculations.
